## OBJECTIVE

With one year of experience as a Formwork Designer and Civil Engineer, I have honed my skills in designing and calculating quantities for a diverse range of building panels, such as beams, walls, and chajjas. I am adept at optimizing structural integrity and efficiency through innovative design techniques, and I excel in ensuring precise material estimation for project planning and cost management.

## EXPERIENCE

FORMWORK DESIGNER - S-form India PVT Ltd.

- Proficiently designed a variety of building panels, including walls, beams, chajja, staircases and slab.
- Performed detailed quantity calculations for various building panels like beams, walls, and chajjas, ensuring accurate material estimates for project planning and cost control.
- I possess extensive professional experience, having successfully completed 15 real-time projects, demonstrating my capability to deliver results effectively and efficiently in a variety of scenarios.

## TECHNICAL SKILLS

- Designing
- Quantity Calculations and Management
- AutoCAD
- STAAD pro
- REVIT
